# AV Leisure - a glimpse

“

## MISSION:

AV LEISURE... a relationship that does not stop after a trip. We give you an everlasting experience that awakens the young minds while exploring, which helps them to see the world in a totally different perspective while being in total comfort and care. To the institution we assure that the highest safety standard is maintained to make each and every journey, may it be a day trip or an excursion a memorable and fruitful one.

”

At AV LEISURE we strongly believe that educational trip are an integral part of education. An educational trip is an experience that every student should be a part of, because it helps them to get a real and first hand experience of the places that are there in their curriculum. It also helps them to develop life skills, social skills, team building and gives them ample opportunities to learn about various cultures and customs. For the institution an educational trip not only enhances the curriculum but also provides a platform to know their students a bit more.

An educational trip as generally understood is not just booking tickets and room, but a more elaborate logistics which just goes beyond getting the places confirmed, and list of students and faculty taken. It is a dedicated efforts of a large team behind the screen that put their expertise and years of knowledge in planning, so that each tailor made trip becomes a memorable, enjoyable and a learning experience to both, students and the institution.

Our team at AV LEISURE comprises of trained professionals who are well traveled, and have years of experience in planning students group tours. A team is dedicated to you from the beginning who will not only help you to plan your itinerary but also give you valuable suggestions. For a large group a dedicated tour manager will accompany the group to make them comfortable and take care, so that the trip sails smoothly and safely. At AV Leisure utmost care is taken to ensure that the channel partners at all the locations have proven safety records and adhere to their respective industry standards. Above all with 20 years of efficient and effective deliverance, and a list of the top educational institutions having a long standing relationship, summarises it all.

**A journey of 1000 miles begins with a single step.**

AV-RP-02	<b>Grameen Camp</b>	40	08.00am	06.00pm
----------	---------------------	----	---------	---------

A day out in a Farm, is to introduce urban children to village life and its activities.

Living in the bustling city where we are exposed to only blaring vehicle horns and other cacophony, most children would not have enjoyed the environment of a calm natural village life where cow graze silently, sheep wander leisurely, ducks quack, fruits swing in the branches and more!

The whole outing to Grameena Camp is planned in such a way that children get to have a whole lot of fun like never before but also learn a lot about a life that they have not been exposed to. By fun we mean not video games or watching television but soaking in nature and playing a lot of traditional games. Traditional games act as learning aids while playing them develops sensory skills, improves motor skills and hand-eye coordination with ample dose of fun and team building capability.
